S. VENKATAVARADIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

MYSORE DIVISION.

Abstract Notification dated 23rd October 1929.

"Reference is invited to the advertisement published in detail in the *Mysore Gazette*, dated 31st October 1929, intimating the last date of tender for constructing an Ane across the Veeravaishnava river near Nelligere in Nagamangala Taluk."

N. G. KRISHNA IYENGAR,
Executive Engineer.

KOLAR DIVISION.

Dated 28th October 1929.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 2 P.M., on 22nd November 1929, for constructing a compound wall with available burnt stones to Government Middle School at Chikballapur. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.—

4. Each tender must be accompanied by a deposit of Rs. 125 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for constructing a compound wall with available burnt stones to Government Middle School at Chikballapur" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The tenders must quote specific rates for all items both in words and in figures.

10. The tenders stating that the work would be executed at a certain percentage in excess of or lower than the estimate will not be accepted.
